SPECIAL INSTRUCTIONS

Reminders:

- COM must arrive at Vogel's factory within 3 weeks of your order date. This gives the plant the time it needs to build the piece on schedule. If the fabric arrives after that 3-week window, your ship date is at risk of being adjusted.
- A special handling fee will be applied to all C.O.M. orders requiring pattern matching and/or special handling. See C.O.M. information in your price book.
