ATTICUS CHAIR

You can choose a subtle upholstery covering, or jazz it up with a dramatic pattern or vivid colour. No matter how you spin it, this tall-back wing chair will always be comforting and inviting. You'll feel well protected wrapped in this exquisite design. The metal nail head trim comes standard with this design and we include a 100% feather-filled lumbar pillow in the same fabric.

FEATURES + CUSTOMIZATIONS

- Standard with metal nail head trim (as shown)
- Standard with self-piped, feather-filled, lumbar pillow (in the same fabric)
- The frame is crafted from a combination of engineered and solid wood
- Crafted in Canada
