CHAIR

Thoroughly modern, this design is simply chic. It gains its strength and longevity from the top-quality materials our craftsmen use when skillfully building your chair. Just picture how your fabric will look once you choose from the 300 different colours and patterns we offer. A fused-poly filled accent pillow in the same fabric comes with your accent chair, too.

FEATURES

- 18" x 18" knife edge pillow with fused polyester insert in the same fabric is included
