## KYOTO BENCH

The Kyoto Bench combines sleek design with impeccable craftsmanship, making it a standout piece for any space. Its legs come standard in a striking mirror chrome finish, but for those seeking a more customized look, you can choose from an array of luxurious metal finishes, sure to enhance the bench's modern appeal while seamlessly blending into your unique décor.

At 24 inches wide, it's perfectly sized to fit in smaller spaces while still offering functionality as an extra seat, footrest, or accent table. With an extensive selection of upholstery fabrics—from elegant solids to bold prints—you can design the Kyoto Bench to suit your personal style.
