LOVESEAT

Such style and grace! Available as a sofa or loveseat, this contemporary style is sure to become a classic. Like all of our furniture, each edge and seam is finished to perfection so you know it will offer years of comfortable support and stand the test of time. The scrolled arms are chic and add both style and comfort. Once you select the covering from our vast array of styles, colours and patterns and choose the wood finish for the legs, we'll fashion the unique sofa or loveseat of your dreams.
