MACKENZIE ARM CHAIR

Like her sister side chair, the Mackenzie Arm Chair is built to be the dining chair of ultimate comfort and style. Her curved back and slightly flared arms beckon your guests to settle in and get comfortable for a meal of food, laughter, and memories. Gently flared back legs add an extra touch of class to this relaxed but noble dining chair. Select a cover from over 300 available in our design studio, or bring your own, and customize the leg finish to match the tones and mood of your dining space.
