

ANTHONY COLLECTION

This exquisite show-wood collection is designed for a luxurious seating experience that references the traditional design style in a crisp, modern way. The Anthony collection includes metal nail head trim as a standard feature, and the sofa and loveseat both come with your choice of a pair of round bolster pillows or toss pillows made from the same fabric you select for your seating. You can customize your comfort with Firm, Soft, or Ultra-Lux cushioning options in the Anthony collection, and choose between 3 seats, 2 seats, or a single bench seat depending on the model. We're here to assist you in creating your unique masterpiece every step of the way.
